### Message from the Guest Editors

Dear Colleagues,

We expect the high-quality submissions that were presented at the 11th Asia-Pacific International Symposium on Advanced Reliability and Maintenance Modeling (APARM2024) held in Nagoya, Japan, on August 26–30, 2024, but the presentation at the symposium is not mandatory for the submission to this Special Issue. If the paper is accepted, then the authors are requested to cover the APC in MDPI. For the best-quality papers evaluated by the Guest Editors, MDPI will give a token of a 100% discount for the top 10 high-quality papers. The submission deadline is November 30, 2024.

Deadline for manuscript  
submissions:

**30 November 2024**

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

The journal *Mathematics* publishes high-quality, refereed papers that treat both pure and applied mathematics. The journal highlights articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, statistics, finance, computer science, engineering and sociology, particularly those that stress analytical/algebraic aspects and novel problems and their solutions. One of the missions of the journal is to serve mathematicians and scientists through the prompt publication of significant advances in any branch of science and technology, and to provide a forum for the discussion of new scientific developments.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), RePEc, and other databases.

**Journal Rank:** JCR - Q1 (Mathematics) / CiteScore - Q1 (General Mathematics)
